- ✓ We will pay for necessary dental treatments prescribed by a vet following an accident.

Behavioural treatment:

- ✓ We will pay for behavioural treatment if your pet is referred to a behavioural specialist by a vet.

Cover to help when you have to say goodbye to your pet:

- ✓ If a vet recommends that your pet is put to sleep we will cover up to £300 of the combined costs of the procedure, cremation and burial. We will also cover cremation or burial costs if your pet passes away.

Cover for legal claims against you or your pet up to £1,000,000:

- ✓ If legal action is taken against you for an incident relating to your pet, we will pay lawyers' costs to defend you. If that legal action against you is successful, we will pay the settlement amounts or damages awarded.

Claims:

- ! If your pet requires ongoing treatment, you must have a policy with us to keep receiving claims payments. If you choose to cancel your policy or not renew it, any claims payments will stop
- ! All medical, behavioural and complementary treatments must be carried out by a vet, someone holding the required qualifications or membership to specified organisations shown in the policy wording.

Where am I covered?

- ✓ You are covered in the United Kingdom, Channel Islands and Isle of Man.

What are my obligations?

- You must ensure the details we hold for you and your pet are correct. Incorrect information could result in us paying less towards your claim, and in some cases invalidate your policy.
- You must keep your premium payments up to date. Falling into arrears could result in us cancelling your policy and not paying your claim.
- You must follow your vet's recommendations on vaccinations. If you do not, you will not be covered for any illness.
- You must take your pet for an annual health and dental check-up with your vet. This is important to help spot health issues early and prevent them from developing into something more serious. If you do not do this, your claim will be rejected.
- You must submit any claims within 1 year of each date of treatment.

When and how do I pay?

You can pay annually by credit or debit card, or monthly by interest free direct debit.

When does the cover start and end?

Your policy start date will be shown in policy booklet and will run for 12 months. It will renew automatically unless you tell us to stop the policy. We do this to make sure there are no gaps in your cover. We will contact you before renewal to remind you about this.

How do I cancel the contract?

- You can cancel free of charge at any time in your 14-day cooling off period. If you decide to cancel, we will refund all premiums paid unless you have made a claim. In this case, no premium will be refunded.
- You can also cancel this policy at any time after the 14-day cooling-off period. We will refund premiums for the unused portion of the policy unless you have made a claim. In this case no premium will be refunded.
- If you're making a claim for anything that happened before cancelling your policy, you'll need to pay your full annual premium before we can pay a claim.
- You can cancel your policy by speaking to us on 03453 40 40 90.
